

BRADLEY THOMPSON

GRAPHIC DESIGNER & WEB DEVELOPER

Graduated from the Art Institute of Pittsburgh with an Associates in Graphic Design. I've strived to connect with design on a higher level, and started freelancing while in school. This taught me the road in between a student and a professional early on in this field.

I strive to make all clients goals a reality while enhancing their overall perspective at the same time. Design has defined my passion over the last couple of years, and I
